**7pm Monday March 16, 2020**  
**Congregation Har HaShem**

Palestinians and Israelis in the West Bank/Palestinian Territories/Judea and Samaria often live in geographical proximity – yet in separate universes. By and large they have no real human contact. They know next to nothing about the other and view each other with suspicion and fear.

In the Gush Etzion-Bethlehem-Hebron area, Roots is changing that reality.

**We invite you to join with Roots activists, one Palestinian and one Israeli, as they share their personal, interconnected stories and present the groundbreaking and challenging grassroots work of their initiative.** They do not come with blueprinted peace plans in hand, but with the deep conviction that human understanding and trust are the prerequisites for lasting justice, freedom, and peace in the land they both call home.

Donations to support Roots/Shorashim/Judur will be accepted at the event.
