2024 SIPP Mini-Grant Application

SIPP's mission is to support projects that engage Israelis and Palestinians working together to further common environmental and other interests and to build meaningful connections between people in the United States and Israelis and Palestinians involved in these efforts.

Sustainable Israeli-Palestinian Projects is a United States tax-exempt non-profit organization.

SIPP's environmental projects are part of our Environmentally Sustainable Projects initiative (ESP). All environmental-focused Mini-Grants will be through and identified as part of our ESP initiative. Non-environmental projects (civil society) will be identified as SIPP projects. Our Mini-Grant program encompasses both types of projects.

What are the goals of the project?

What are the anticipated accomplishments and impacts?

Describe whether and how diverse and cross-cultural groups will be involved in or benefit from the project.

How many people will be involved, and how?

Is the project sustainable – will the project's impacts continue after the grant funds are spent?

If applicable, please explain how this proposal fits into a larger project.

(5) Project Budget:

Provide a basic itemization in US Dollars and discuss how the money will be used.

(6) Organizational Type & Finance.

What type of organization will be implementing the project? (Is it nonprofit, educational, etc.? SIPP will only disburse funds to organizational accounts, not to individuals).

How long has your organization been in existence?

Please discuss how the organization will assure financial stability for the project.

How will the organization account for funds received from SIPP? (Append information as needed.)

(7) Additional funding.

Will additional funding be used for this project?

Identify amount and sources of financial and nonfinancial/in kind contributions.

(8) Key Personnel:

List key personnel who will be involved in this project, and generally how much time they expect to spend.

(9) Accountability:

How will the accomplishments be measured?

How will accomplishments and outcomes be reported to SIPP?

(10) Publicity:

How will the project be publicized?

How will SIPP (or our environmental initiative ESP) be credited?

Would a representative of the project be available to participate in a SIPP event, remotely (e.g., via Zoom)?

(11) References:

Please provide email contact information for 2 reference organizations and/or individuals who are familiar with the work of your organization.
